

Indiana has passed a law that really helps the people of this state so please don't do anything to make it less effective! We used to get two or three calls a day, as early as 8:00 a.m and as late as 9:30 p.m. (this happened on a Sunday night). It seemed like we couldn't get any peace from these calls. When you're working long hours, it's the last thing you want. Don't mess this up, please. Our law works beautifully--copy it if you want to do something for the people.
